Describe relevant lake access details that may be helpful for the next survey in 2025 (please indicate and label good access points on your lake map):

public boat launch - North side

Additional Comments (please add another page if needed):

Found loon family swimming close to shore in 2-3' of water. Pickerelweed adjacent to shore line.

Please return this form and lake map on the first mailing day after the survey to:

LoonWatch, SOEI
1411 Ellis Avenue
Ashland, WI 54806
